

“No-Sort” Recycling Coming Soon!

The City of Moorhead is transitioning from source separated recycling to “no-sort” recycling. Beginning July 1, 2017 all your recycling can be placed in one container and **no more sorting!**

“No-Sort” Recycling Details

- Mid-June, every resident who currently has a grey garbage tote will receive an additional new blue 96-gallon tote free of charge.
- Apartment buildings will receive either a blue 300-gallon container or a blue dumpster located near the existing dumpster.
- For current curbside recycling customers, your schedule will remain the same; every other week on your garbage day.
- The first residential collection will be Monday, July 3, 2017.
- The four drop-off sites (see map below) will remain available for use but you will still need to separate materials.
- A detailed recycling guide will be mailed to every resident in May.
- The monthly recycling fee will increase \$0.75 to \$3.59 per month.
- Why are we moving to “No-Sort”?
 - Because it’s easier!
 - Because you can recycle more material like office paper, phone books, junk mail and pizza boxes!
 - Because it will increase participation and help keep more material out of the landfill!
