

Summary of Proposed Amendment: This amendment recognizes changes to the following approved 2009 CDBG activities:

- Metro Youth Partnership: \$10,000 originally approved for this project is cancelled at the mutual decision of Metro Youth Partnership and the City of Moorhead. The reason for the cancellation is the degree of administration necessary to implement a small sub-grant of CDBG federal funds.
- Gateway Gardens (1817 1st Avenue North) – Clearance: \$70,000 originally approved for this project is now proposed for funding through \$76,374 of special CDBG funds awarded to the City through the American Recovery and Reinvestment Act of 2009. Initially, the City intended to fund clearance/demolition of the existing building on the site and is now proposing to fund property acquisition.
- Program Income: \$189,618 originally forecasted has been reduced to \$140,000 based upon program income received to date.
