

HELP US DESIGN MOORHEAD

THURSDAY, JULY 20, 2017
10AM - 6PM

HJEMKOMST CENTER
LEVEL 3 GALLERY
202 1ST AVE N

Moorhead is gathering broad community input toward the articulation of both the vision and path for the development of Moorhead as a city known for its arts and culture. We are seeking for participation from our entire community - all walks of life, all ages, all cultural experiences and all community sectors (i.e. business, public, education, etc.). **We need your input into this process.**

Moorhead has long been known as a place that invites creative expression, a place that is welcoming of people of all ages and a home to cultural expression in a breadth of forms. **Design Moorhead** will help us develop a vision and plan to enhance Moorhead as a more creative place. The City of Moorhead's Art and Culture Commission is committed to the development of a roadmap to outline paths to further development of arts and culture as key drivers in creating a vital future for our community.

This will be a fun process for sharing your thoughts through discussion groups or creative design projects. We hope you can join us for the entire day. If this is not possible, please join as you are able.

If you are unable to attend in person, please provide input into this community assessment process by participating in an **online survey** at cityofmoorhead.com/art

This activity is made possible by the voters of Minnesota through grants from the Lake Region Arts Council, thanks to a legislative appropriation from the Arts and Cultural Heritage fund.
