

## Winter 2018-2019

Published by the City of Moorhead

## **Excitement Builds for Moorhead Community Fund**

Residents of a growing, energetic community such as Moorhead crave an array of park amenities, recreational activities, artistic and cultural experiences. Earlier this year, Moorhead's Park Advisory Board and Arts & Culture Commission went looking for innovative ideas to fund more community amenities for our residents and visitors without relying exclusively on property taxes and user fees.

These efforts have resulted in establishing the Moorhead Community Fund through the Fargo Moorhead Area Foundation, approved by the Mayor and City Council in September. The Community Fund provides an opportunity to raise money for future amenities through tax-deductible donations from individuals and organizations. The FM Area Foundation will manage the funds and ensure that the donations are invested in a manner that satisfies IRS charitable giving requirements.

Even before the formal documents for the Moorhead Community Fund were signed, the first donation was in the works: an anonymous donor contributed \$25,000 for the purpose of "Moorhead Proud" art! Won't it be fun to see Moorhead's public art collection grow by means of this gift?

The Moorhead Community Fund will have two parts:

- <u>Pass-through account</u>: Donations given toward known projects or otherwise intended to be spent in the near to midterm on community amenities
- <u>Permanent Endowment</u>: Gifts intended as a perpetual legacy in which the

principal remains and spending is generally limited to earnings on the principal while the principal is maintained as a permanent asset.

**Projects on the horizon:** The future project list is unlimited, but here is a start!

**Inclusive Playground:** A sub-account within the Moorhead Community Fund will be dedicated to a modern inclusive playground thoughtfully designed to provide a safe place where children of all abilities can play together.

**Matson Field Enhancements:** The passthrough account will hold funds raised by a group of community organizers for a grandstand and scoreboard at Matson Field to enhance Moorhead's baseball experience. Fund raising is underway for this project.

Donors may also choose to give to less specific categories of "**Parks & Recreation**" or "**Art & Culture**" to provide flexibility for funds to be used for other projects as they become identified. Our community will continue to dream up new ideas for amenities that we can all enjoy in future years, and the Moorhead Community Fund will help us raise the money to do so.

For additional information about the Moorhead Community Fund, please contact Parks & Recreation Director Holly Heitkamp at 218.299.5515 or the Fargo Moorhead Area Foundation.

**South Moorhead Dog Park:** Another project in the fund raising stage is a dog park to be located in south Moorhead to allow our south side furry residents access to off-leash exercise and social activity with other dogs and their owners.

## CITY INSIGHTS

Street lighting is important for safety in our neighborhoods. If you notice that a street light is out near your home, please submit a request to have it fixed. Contact Moorhead Public Service at:

customer\_service@mpsutility.com or call 218.477.8000 (option 4).

# **Electric Car Charging Station**

Moorhead Public Service, in conjunction with its power supplier, Missouri River Energy Services, is proud to announce the first Level 3 high-powered electric car charging station in the FM area. This high-powered charger can provide a full charge in as little as 30 minutes, compared to a traditional charging station which can take six to 12 hours to complete a charge. The charging station is located on 28th Avenue South, near the intersection of Highway 75 and Interstate 94 and is expected to be operational November 2018.

# From Your Assessor's Office: Understanding How Your Property Is Valued

Occasionally, the Assessor's Office receives questions regarding how value is determined for property tax purposes.

According to the Minnesota Department

of Revenue (DOR), the value determined by the assessor is the price the property would likely sell for on the open market is called the estimated market value

(EMV). Estimating market value has many components including:

- **Classification**. Type of property (Residential, Agricultural, Commercial, etc.)
- **Mass Appraisal.** Assessors are required to inspect each property within the city limits in person at least once

every five years. Information such as size, age, condition, quality, basement finish, and features such as fireplaces, porches, and decks are collected and updated.

- Value Computation. Property information collected during mass appraisal is entered into the computerized appraisal system. Pricing is then calibrated to Moorhead's market based on Sales Analysis.
- Sales Analysis. Sales ratio studies are ongoing. Sales data is collected from October 1 of a given year to September 30 of the following year and is obtained from the sales of real estate within the city. The sales ratio is calculated by dividing the estimated market value by the sales price.
- Assessment Level. State law requires assessors to value property at its estimating selling price. The State Board

of Equalization requires the overall level of assessment to be between 90% and 105% of market value.

The goal of the Assessor's Office is to maintain a fair, equitable and accurate assessment every year, so that no property owner pays more or less than their fair share of the total property tax.

We want all City of Moorhead property owners to understand the process in estimating the value of your property. Please feel free to call the Assessor's office with any questions you may have at 218.299.5258.

Visit **www.moorheadproperty.org** for property information. In addition, you can find helpful information on the Minnesota DOR website. Visit **www.revenue.state.mn.us** and search for "Property Tax Fact Sheets" to learn more.

# Woodlawn Water Tower: A Reflection of the Community

The Woodlawn water tower has a new coat of paint and a updated new design! Before the painting process began, much planning occurred and community input was considered. The Woodlawn neighborhood was surveyed and results displayed four key elements Moorhead prides itself on – nature, history, education, and recreation. Artists Stephen Dorsey and Jack Lunde listened and considered the community ideas and feedback. They worked to develop artistic options that were presented to a community review group, led by Moorhead Public Service and art project coordinator, Su Legatt. The group gave feedback and suggestions as the artistic design process evolved. The final design incorporates many neighborhood and downtown features including: Veteran's Memorial Bridge, Stave Church, Historic Log Cabin, a train, natural and recreational elements such as the river, trees, birds, fish, flowers and biking and canoeing along the riverfront. The project was funded by Moorhead Public Service with a contribution from the City of Moorhead.

## Shovel Ready: Business Development Sites

Moorhead recently received "Shovel Ready" certification status for a 197 acre site in the MCCARA Industrial Park. Shovel-ready sites give our community a competitive edge in attracting business startups, expansions, or relocations because the most timeconsuming technical and regulatory aspects of development are already complete. MCCARA Industrial Park is located south of I-94 at the 34<sup>th</sup> Street Exit making it a premiere location within the FM Metro in close proximity to the Moorhead Airport.

# Safe Exchange Location

Do you buy or sell goods over the internet and need to meet with strangers to complete the transaction? You are now able to do that safely outside the new Joint Law Enforcement Center. The Safe Exchange site is located on the east side of the Joint Law Enforcement Center, 911 11 St. N. This location is monitored by 24 hour video surveillance and the building is staffed and open 24 hours a day. Please note that officers will not be assisting with these exchanges nor become involved in civil matters resulting from disputes over payment or quality, but the Safe Exchange Location offers an added layer of safety for those involved in online commerce.

Not only is this important to mail carriers and local delivery drivers, but also to our local fire and police department. Emergencies can strike when you least expect them, and having a visible house number will allow first responders to find your location faster.

## MATBUS

In Fall 2018, Moorhead MATBUS is putting two brand-new buses on the road. One of these buses was purchased to replace an older bus that reached the end of its lifespan, the other is an expansion vehicle. These additions will help MATBUS provide a

**NEW buses joining the MATBUS fleet** 

more reliable vehicle for riders, as well as new features. All new buses will include an automatic securement system that provides more independence for riders using wheelchairs.

#### **Quarter Days for Holiday Shopping**

MATBUS will be offering a special rate for riders on prime shopping days this holiday season! On Black Friday and Small Business Saturday (November 23-24), plus every Saturday in December, you can ride MATBUS fixed route buses for just 25¢! Avoid cold cars and busy parking lots, and hop on a warm MATBUS vehicle during Quarter Days.

### 90-Day Youth Pass

MATBUS offers a great deal for youth all year round! With the new 90-Day Youth Pass, grades K-12 can ride MATBUS fixed routes for only \$26. That's three months of transportation for the price of one! The pass is an excellent way to teach young adults to become more independent. Passes are sold at the Ground Transportation Center, 502 N.P. Avenue in Fargo.

#### Calendar

November 22 - Thanksgiving Day - No Bus Service

November 23-24 and Saturdays in December – Quarter Days – Ride the bus for just 25 cents!

December 24 – Christmas Eve – All MATBUS routes ending early

December 25 – Christmas Day – No Bus Service

January 1 – New Year's Day – No Bus Service

Contact MATBUS: call 701.232.7500 or visit MATBUS.com

## **Snow Removal**

Before we know it, snow will fly, making way for fun winter activities. With the snow comes some added responsibility. Moorhead City Code requires that residents clear snow and ice from their portion of sidewalk by 9 pm after it stops snowing.

#### A few shoveling tips:

- If you live on a corner, all sidewalks must be cleared, including the crosswalk approaches
- Do not shovel snow onto neighboring properties or into the street
- Make arrangements with a neighbor or a snow removal service to care for your property if you're going to be out of town or unable to shovel your walkway in a timely manner

## Vacation House Checks

Enjoy time away without the worry! Police Volunteers check the security of your home while you are away. Request this free service any time you are out of town for an extended period of time. Submit requests at **moorheadpolice.com** or by calling **218.299.5120**   Lend a helping hand; help out your neighbors if health issues become obstacles

If your sidewalk is reported for snow or ice, inspectors will leave a sign posted on the property with a short compliance timeline as a courtesy reminder. If, however, your sidewalk is not cleared by the compliance date, the City will hire snow removal for you. The property owner will be charged for the cost of the snow removal service plus an administrative penalty of \$100. Further violations at the same property in the same season will result in additional penalty charges without a compliance period.

If you would like to report an unshoveled walkway you can make a report on the City

website or call Neighborhood Services at 218.299.5434.

Let's all do our part to have a fun and safe winter!

## **Holiday Garbage Collection**

Following a holiday, garbage collection begins at 4 am. To ensure collection, place garbage out the night before. Garbage may be collected later in the day due to the double route.

When a holiday falls on a Friday, garbage is picked up the following Monday. When a holiday falls on a Monday, garbage is picked up on Tuesday. Sign up for eNotifications (choose 'Service Alerts') for email reminders on holiday garbage schedule. The Garbage Transfer Station and Compost Site are closed on holidays.

# Winter Park Fun in Moorhead

Don't wish winter away just yet – Moorhead parks are designed for family fun all year round.

This season, all of our outdoor rink locations have brand new hockey and leisure rink areas! We are also adding new rinks to Stonemill Park. Ice rinks will open for the season on Monday, December 17. Hansmann, Morningside, Lamb, Riverview Estates, Ridgewood, South, and Village Green parks have warming houses open M-F from 4-8 pm and Saturday and Sunday from 1-8 pm. Rinks at Alm, Voll, and Stonemill Park will also open on December 17, but do not

have warming houses. All times are weather-permitting.

#### M.B. Johnson Park is the place to be on the weekends:

Rent cross country skis or snowshoes and travel our groomed trails!

Rentals will be available December 15 – February 24 at The M.B. Johnson Park small shelter.

Saturdays: 10 am – 4:30 pm

Sundays: Noon – 4:30 pm

Please keep in mind that weather determines when trails can be groomed. Grooming updates can be found at moorheadparks.com

#### Fees (Cash and check only):

Ski Package - \$12 (includes skis, boots, poles) Skis - \$5 Boots - \$5 Poles - \$2 Family Ski Rental - \$35 Snowshoes - \$10 Family Snowshoe Rental - \$20

(Family pack includes parents/guardians and their children, there is no limit.)

# Good to Know! - About Your Library

### How to Get a Library Card
