

Grading/Erosion Control Application/Permit Utility Construction

Location of Proposed Work: _____

(e.g. 400 block 11th St S; or entire Hampton Addition; or 1210 14th Av S) Attach list if necessary

MPCA Permit Identification Number: _____

(If land disturbance is at least one acre or part of a development/sale disturbing at least one acre)

Utility Contractor: I certify that I have reviewed a copy of any current Storm Water Pollution Prevention Plan (SWPPP) for the subdivision in which I am working and I am responsible to protect, repair or replace any installed erosion and sediment control measures disturbed by my activity, and to monitor effectiveness of the SWPPP during my construction activity in the areas listed above. I understand and agree to protect, repair or replace in-place erosion and sediment control measures, where applicable, as described in the "Single Family Residential Construction Erosion/Sediment Control Standards" and/or "Utility Construction Erosion/Sediment Control Standards." I also understand that I may need to supplement or modify implemented protection measures as site conditions develop to control on-site erosion and ensure all site runoff is adequately treated by storm water controls. I will also be responsible for actions of all subcontractors and delivery personnel at the worksite related to my construction activity, and their impact on the SWPPP, "Single Family Residential Construction Erosion/Sediment Control Standards," and/or "Utility Construction Erosion/Sediment Control Standards."
