# NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

April 11, 2024 City of Moorhead 500 Center Ave Moorhead, MN 56560 218-299-5375

On or about April 19, 2024 the City of Moorhead will submit a request to the U.S. Department of Housing and Urban Development for the release of Community Development Block Grant funds under Title 1 of the Housing and Community Development Act of 1974, as amended(PL 93-383), to undertake a project known as Land Acquisition for the purpose of acquisition of two city lots, 1014 & 1016 19 street south in Moorhead will be to create a child care facility to benefit low-and moderate income persons with the nature and location of the facility serving low to moderate income persons and/or affordable housing, recreation space and/or a combination of these uses. Eligibility Acquisiton-24.CFR 570.201(a); National Objectives:24 CFR 570.208(a). Estimated funding will be \$126,908.

Once there is a final determination for the use of funds, a second environmental review will be conducted. Environmental Review Record (ERR) that documents the environmental determinations for this project is on file at the City of Moorhead, 500 Center Avenue Moorhead, MN, and may be examined or copied weekdays \_8 A.M to 4:30 P.M. The ERR can also be viewed at cityofmoorhead.com search for Community Development Block Grant.

#### **PUBLIC COMMENTS**

Any individual, group, or agency may submit written comments on the ERR to the City of Moorhead, Governmental Affairs, 500 Center Ave Moorhead, MN 56560 or be sent by email to Tanya.Kunza@MoorheadMN.gov. All comments received by April 18, 2024, will be considered by the City of Moorhead prior to authorizing submission of a request for release of funds.

#### **ENVIRONMENTAL CERTIFICATION**

The City of Moorhead certifies to HUD/State that Lisa Bode in her capacity as Director of Governmental Affairs, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the City of Moorhead to use Program funds.

#### **OBJECTIONS TO RELEASE OF FUNDS**

HUD will accept objections to its release of fund and the City of Moorhead certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the City of Moorhead; (b) the City of Moorhead has omitted a step or failed to make a decision or finding required by HUD regulations at 24

CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to HUD Minneapolis office at U.S. Department of Housing and Urban Development; Paul D. Wellstone Federal Building; 212 3rd Avenue South, Suite 150; Minneapolis, MN 55401. Potential objectors should contact HUD to verify the actual last day of the objection period.

Lisa Bode, Governmental Affairs Director, City of Moorhead

U.S. Department of Housing and Urban Development 451 Seventh Street, SW Washington, DC 20410

Level of Environmental Review Determination:

Categorically Excluded per 24 CFR 58.35(a), and subject to laws and authorities at 58.5:

#### **Determination:**

|          | This categorically excluded activity/project converts to <b>EXEMPT</b> per Section 58.34(a)(12), because it does not require any mitigation for compliance with any listed statutes or authorities, nor requires any formal permit or license; <b>Funds may be committed and drawn down after certification of this part</b> for this (now) EXEMPT project; OR  |
|----------|---|
| <b>√</b> | This categorically excluded activity/project cannot convert to Exempt status because one or more statutes or authorities listed at Section 58.5 requires formal consultation or mitigation. Complete consultation/mitigation protocol requirements, <b>publish NOI/RROF and obtain "Authority to Use Grant Funds"</b> (HUD 7015.16) per Section 58.70 and 58.71 before committing or drawing down any funds; OR |
|          | This project is not categorically excluded OR, if originally categorically excluded, is now subject to a full Environmental Assessment according to Part 58 Subpart E due to extraordinary circumstances (Section 58.35(c)).  |

|                                     |            | compliance with Executive Order 12898.    |  |  |

# Mitigation Measures and Conditions [40 CFR 1505.2(c)]:

Summarized below are all mitigation measures adopted by the Responsible Entity to reduce, avoid or eliminate adverse environmental impacts and to avoid non-compliance or non-conformance with the above-listed authorities and factors. These measures/conditions must be incorporated into project contracts, development agreements and other relevant documents. The staff responsible for implementing and monitoring mitigation measures should be clearly identified in the mitigation plan.

| Law,       | Mitigation Measure or Condition | Comments on | Mitigation | Complete |
|------------|---------------------------------|-------------|------------|----------|
| Authority, |                                 | Completed   | Plan       |          |
| or Factor  |                                 | Measures    |            |          |

1. Does this project involve <u>financial assistance for construction, rehabilitation, or acquisition of a mobile home, building, or insurable personal property?</u>

No. This project does not require flood insurance or is excepted from flood insurance.

✓ Yes

2. Upload a FEMA/FIRM map showing the site here:

FIRMETTE 1e89b88f-ddd4-4276-8bab-2ef6482c2355.pdf

The Federal Emergency Management Agency (FEMA) designates floodplains. The <u>FEMA Map Service Center</u> provides this information in the form of FEMA Flood Insurance Rate Maps (FIRMs). For projects in areas not mapped by FEMA, use the best available information to determine floodplain information. Include documentation, including a discussion of why this is the best available information for the site. Provide FEMA/FIRM floodplain zone designation, panel number, and date within your documentation.

Is the structure, part of the structure, or insurable property located in a FEMA-designated Special Flood Hazard Area?

✓ No

Based on the response, the review is in compliance with this section.

Yes

4. While flood insurance is not mandatory for this project, HUD strongly recommends that all insurable structures maintain flood insurance under the National Flood Insurance

Program (NFIP). Will flood insurance be required as a mitigation measure or condition?

Yes

✓ No

# **Screen Summary**

#### **Compliance Determination**

The structure or insurable property is not located in a FEMA-designated Special Flood Hazard Area. While flood insurance may not be mandatory in this instance, HUD recommends that all insurable structures maintain flood insurance under the National Flood Insurance Program (NFIP). The project is in compliance with flood insurance requirements.

Are formal compliance steps or mitigation required?

Yes

# **Endangered Species**

| General requirements                             | ESA Legislation     | Regulations |
|--|---------------------|-------------|
| Section 7 of the Endangered Species Act (ESA)    | The Endangered      | 50 CFR Part |
| mandates that federal agencies ensure that       | Species Act of 1973 | 402         |
| actions that they authorize, fund, or carry out  | (16 U.S.C. 1531 et  |             |
| shall not jeopardize the continued existence of  | seq.); particularly |             |
| federally listed plants and animals or result in | section 7 (16 USC   |             |
| the adverse modification or destruction of       | 1536).              |             |
| designated critical habitat. Where their actions |                     |             |
| may affect resources protected by the ESA,       |                     |             |
| agencies must consult with the Fish and Wildlife |                     |             |
| Service and/or the National Marine Fisheries     |                     |             |
| Service ("FWS" and "NMFS" or "the Services").    |                     |             |

# 1. Does the project involve any activities that have the potential to affect specifies or habitats?

No, the project will have No Effect due to the nature of the activities involved in the project.

✓ No, the project will have No Effect based on a letter of understanding, memorandum of agreement, programmatic agreement, or checklist provided by local HUD office

Explain your determination:
Letter of determination, checklist

Based on the response, the review is in compliance with this section. Document and upload all documents used to make your determination below.

Yes, the activities involved in the project have the potential to affect species and/or habitats.

#### **Screen Summary**

#### **Compliance Determination**

This project will have No Effect on listed species based on a letter of understanding, memorandum of agreement, programmatic agreement, or checklist provided by local HUD office. This project is in compliance with the Endangered Species Act.

Are formal compliance steps or mitigation required?

Yes

# **Explosive and Flammable Hazards**

| General requirements                 | Legislation | Regulation     |
|--------------------------------------|-------------|----------------|
| HUD-assisted projects must meet      | N/A         | 24 CFR Part 51 |
| Acceptable Separation Distance (ASD) |             | Subpart C      |
| requirements to protect them from    |             |                |
| explosive and flammable hazards.     |             |                |

| 1.       | Is the proposed HUD-assisted project itself the development of a hazardous facility (a |
|----------|--|
| facility | that mainly stores, handles or processes flammable or combustible chemicals such as    |
| bulk fu  | el storage facilities and refineries)?   |

| ✓ | No  |
|---|-----|
|   | Ves |

2. Does this project include any of the following activities: development, construction, rehabilitation that will increase residential densities, or conversion?

| ✓ | No  |
|---|-----|
| • | 110 |

Based on the response, the review is in compliance with this section.

Yes

#### **Screen Summary**

#### **Compliance Determination**

Based on the project description the project includes no activities that would require further evaluation under this section. The project is in compliance with explosive and flammable hazard requirements.

#### **Supporting documentation**

Are formal compliance steps or mitigation required?

Yes

#### **Farmlands Protection**

| General requirements          | Legislation                | Regulation     |
|-------------------------------|----------------------------|----------------|
| The Farmland Protection       | Farmland Protection Policy | 7 CFR Part 658 |
| Policy Act (FPPA) discourages | Act of 1981 (7 U.S.C. 4201 |                |
| federal activities that would | et seq.)                   |                |
| convert farmland to           |                            |                |
| nonagricultural purposes.     |                            |                |

1. Does your project include any activities, including new construction, acquisition of undeveloped land or conversion, that could convert agricultural land to a non-agricultural use?

Yes

✓ No

If your project includes new construction, acquisition of undeveloped land or conversion, explain how you determined that agricultural land would not be converted:

It is in urban area and had a church on the lot years back

Based on the response, the review is in compliance with this section. Document and upload all documents used to make your determination below.

#### **Screen Summary**

# **Compliance Determination**

This project does not include any activities that could potentially convert agricultural land to a non-agricultural use. The project is in compliance with the Farmland Protection Policy Act.

55.12(c)(8)

55.12(c)(9)

55.12(c)(10)

55.12(c)(11)

✓ None of the above

#### 2. Upload a FEMA/FIRM map showing the site here:

#### FIRMETTE\_1e89b88f-ddd4-4276-8bab-2ef6482c2355.pdf

The Federal Emergency Management Agency (FEMA) designates floodplains. The FEMA Map Service Center provides this information in the form of FEMA Flood Insurance Rate Maps (FIRMs). For projects in areas not mapped by FEMA, use **the best available information** to determine floodplain information. Include documentation, including a discussion of why this is the best available information for the site.

#### Does your project occur in a floodplain?

√ No

Based on the response, the review is in compliance with this section.

Yes

# **Screen Summary**

# **Compliance Determination**

This project does not occur in a floodplain. The project is in compliance with Executive Order 11988.

# **Supporting documentation**

Are formal compliance steps or mitigation required?

Yes

#### **Historic Preservation**

| General requirements  | Legislation        | Regulation                                |
|-----------------------|--------------------|---|
| Regulations under     | Section 106 of the | 36 CFR 800 "Protection of Historic        |
| Section 106 of the    | National Historic  | Properties"                               |
| National Historic     | Preservation Act   | https://www.govinfo.gov/content/pkg/CF    |
| Preservation Act      | (16 U.S.C. 470f)   | R-2012-title36-vol3/pdf/CFR-2012-title36- |
| (NHPA) require a      |                    | vol3-part800.pdf                          |
| consultative process  |                    |   |
| to identify historic  |                    |   |
| properties, assess    |                    |   |
| project impacts on    |                    |   |
| them, and avoid,      |                    |   |
| minimize, or mitigate |                    |   |
| adverse effects       |                    |   |

#### **Threshold**

#### Is Section 106 review required for your project?

- No, because the project consists solely of activities listed as exempt in a Programmatic Agreement (PA). (See the PA Database to find applicable PAs.)
- ✓ No, because the project consists solely of activities included in a No Potential to Cause Effects memo or other determination [36 CFR 800.3(a)(1)]. Yes, because the project includes activities with potential to cause effects (direct or indirect).

Threshold (b). Document and upload the memo or explanation/justification of the other determination below:

Based on the response, the review is in compliance with this section.

#### **Screen Summary**

#### **Compliance Determination**

Based on the project description the project has No Potential to Cause Effects. The project is in compliance with Section 106.

#### **Supporting documentation**

SHPO.pdf

Are formal compliance steps or mitigation required?

Yes

#### **Noise Abatement and Control**

| General requirements            | Legislation                     | Regulation      |
|---------------------------------|---------------------------------|-----------------|
| HUD's noise regulations protect | Noise Control Act of 1972       | Title 24 CFR 51 |
| residential properties from     |                                 | Subpart B       |
| excessive noise exposure. HUD   | General Services Administration |                 |
| encourages mitigation as        | Federal Management Circular     |                 |
| appropriate.                    | 75-2: "Compatible Land Uses at  |                 |
|                                 | Federal Airfields"              |                 |

#### 1. What activities does your project involve? Check all that apply:

New construction for residential use

Rehabilitation of an existing residential property

A research demonstration project which does not result in new construction or reconstruction

An interstate land sales registration

Any timely emergency assistance under disaster assistance provision or appropriations which are provided to save lives, protect property, protect public health and safety, remove debris and wreckage, or assistance that has the effect of restoring facilities substantially as they existed prior to the disaster

✓ None of the above

#### **Screen Summary**

#### **Compliance Determination**

Based on the project description, this project includes no activities that would require further evaluation under HUD's noise regulation. The project is in compliance with HUD's Noise regulation.

**Supporting documentation** 

Are formal compliance steps or mitigation required?

Yes

# **Sole Source Aquifers**

| General requirements                  | Legislation            | Regulation      |
|---------------------------------------|------------------------|-----------------|
| The Safe Drinking Water Act of 1974   | Safe Drinking Water    | 40 CFR Part 149 |
| protects drinking water systems       | Act of 1974 (42 U.S.C. |                 |
| which are the sole or principal       | 201, 300f et seq., and |                 |
| drinking water source for an area     | 21 U.S.C. 349)         |                 |
| and which, if contaminated, would     |                        |                 |
| create a significant hazard to public |                        |                 |
| health.                               |                        |                 |

| 1.       | Does the project consist solely of acquisition, leasing, or rehabilitation of an existing |
|----------|---|
| building | g(s)?   |

Yes

✓ No

2. Is the project located on a sole source aquifer (SSA)?

A sole source aquifer is defined as an aquifer that supplies at least 50 percent of the drinking water consumed in the area overlying the aquifer. This includes streamflow source areas, which are upstream areas of losing streams that flow into the recharge area.

< No

✓

Based on the response, the review is in compliance with this section. Document and upload documentation used to make your determination, such as a map of your project (or jurisdiction, if appropriate) in relation to the nearest SSA and its source area, below.

Yes

3. Does your region have a memorandum of understanding (MOU) or other working agreement with Environmental Protection Agency (EPA) for HUD projects impacting a sole source aquifer?

Yes

No

#### **Screen Summary**

#### **Compliance Determination**

The project is not located on a sole source aquifer area. The project is in compliance with Sole Source Aquifer requirements.

# **Supporting documentation**

Sole Source Aquifers.pdf

# Are formal compliance steps or mitigation required?

Yes

#### **Wetlands Protection**

| General requirements                           | Legislation     | Regulation          |
