SKATING LESSONS

Learn the basic skills of ice skating with our Skate with Us program. These popular winter lessons are the basis for our annual skate event, the Moorhead Ice Show!

All lessons are taught at the Moorhead Sports Center, 2400 4th Ave S. Participants must provide their own skates. Weather-related cancellations will not be made up or refunded.

| Levels | Course Content |
|------------------------------------|---|
| Tots | Recommended for skaters that are unable to get across ice alone or fall often. Should have some skating experience. It is recommended that participants attend a few open skate sessions before enrolling in a class. Instruction includes getting up from a fall, marching in place, forward skating, and beginning stops. Helmets are required for this level. Max 10 |
| Basic 1 | If skater can make it across the rink without falling, they are ready for Basic 1. Participants will learn skating and gliding forward, stopping, two-foot hops and bubbles, as well as an introduction to backward skating and gliding. Helmets are strongly recommended for this level. Max 10 |
| Basic 2 | Participants will learn backward skating and one foot gliding. Max 10 |
| Basic 3 & 4 | Participants will learn forward skating using blades rather than marching and be introduced to edges, crossovers, and three turns. Max 10 |
| Basic 5 & 6 | Skaters will learn backward edges, backward crossovers, hockey stops and one-foot spins, as well as t-stops, spirals, lunges, and bunny hops. Max 10 |
| Hockey Skills | Designed for skaters that are currently in hockey and/or have passed Basic 3. Must be able to skate backwards and turn from forward to backwards with ease. Skaters must have the proper basics since instruction covers balance, edge work, and many advanced drills. This class is not for Tots or Basic 1 skaters who plan to play hockey in the future. Skaters must complete Basic 3 before entering Hockey Skills and register at their hockey level. This level concentrates just on skating. It is recommended skaters wear helmets and gloves. Hockey sticks are not used. Max 10 |
| Novice Patch/Advanced Adult | Focus is more extensively on edge work, turns, small jumps, and spins. Once you begin the free-style and dance levels, instruction will include several new jumps and spins, as well as dance steps. Min 4/Max 25 |
